#### Day 2: PICTURESQUE TRAIN VOYAGE TO PLOVDIV AND WINE-TASTING Breakfast.

#### MORNING ACTIVITY:

Breakfast. Exciting voyage to the ancient town of Plovdiv through picturesque countryside, with the train used for the royal journeys of the Bulgarian monarchs. The train is composed of authentic special carriages, produced

especially for the King Boris III in Germany. In the train composition can be included vapor or diesel engine.

Lunch and wine-tasting in Todoroff, first boutique cellar in Bulgaria. Wine production in the region dates from the ancient Thracian ages - a fact, which is evidenced by the numerous archaeological discoveries in the region. The tradition of wine producing, inherited from the ancient Thracians, reflects in the approach used in Todoroff Wine Cellar nowadays. This tradition, worshipped during the centuries, is based upon the fines and harmony of aroma and taste, along with the believe that making wine is a kind of Art.

#### AFTERNOON ACTIVITY:

##### **PLOVDIV CITY TOUR**

Plovdiv - the city that lays on seven hills, a contemporary of Troy and Mycenae. Walking tour through the Old Town of Plovdiv with its brilliant traditional architecture from XIX c.

Dinner in restaurant Hebros in the Old Town.

Overnight in Plovdiv.

**Optional: Between June and July, once a year, the famous open-air Verdi Festival takes place in Plovdiv. A unique experience for all – to watch a Verdi opera at open air at the ancient amphitheater.**

##### **DAY 3: PLOVDIV - SOFIA**
